Looks to me to be a reasonable approach, Liz. Thanks. Carl

Here is a proposed letter to SHPO due to the proposed Ualena alternative. Should we proceed?

Hi Leslie –

Attached is a draft letter for your finalization and transmittal to the State Historic Preservation Officer (SHPO).

The attached letter requests concurrence from the SHPO on eligibility and effect for properties affected by the guideway on Ualena Street. The determinations were made by a qualified architectural historian, and were reviewed by Mason Architects, a firm recognized and respected by the Hawaii SHPD. The attachments to the letter are the materials previously shared with FTA to support the review of the Ualena alignment. The attachments may be downloaded from:

<https://ftp.pbworld.com/GetFile.aspx?fn=84782666.zip>

We would be happy to print and deliver a copy of the letter to the SHPD office with a set of the attachments as soon as FTA finalizes and signs the letter. The findings would not result in any changes to the Programmatic Agreement.

Thanks.
